

# CAPABILITY STATEMENT

www.taxley.com

## COMPANY OVERVIEW

Founded in 2008, Taxley is an Enrolled Agent-led tax resolution and business advisory firm helping entrepreneurs and closely held businesses navigate IRS and state tax matters.

The firm focuses on strengthening financial clarity, operational structure, and long-term business sustainability before growth creates operational instability.

## CORE COMPETENCIES

- IRS & State Tax Resolution**
  - IRS & state tax representation
  - Lien & levy release
  - Audit defense & reconsideration
  - Resolution planning & hardship support
  - Compliance monitoring & support
- Entrepreneur Advisory & Decision-Making Support**
  - Strategic decision-making support
  - Financial clarity & sustainability guidance
  - Operational structure review
  - Implementation support
- Strategic Evaluation & Business Roadmap**
  - Financial & operational evaluation
  - Cash flow & compliance review
  - Operational pressure point identification
  - Strategic roadmap development

## DIFFERENTIATORS

- Entrepreneur-Focused Advisory** Integrated tax resolution and advisory support designed specifically for entrepreneur-led businesses.
- CentsableCEO™** Entrepreneur development program providing structured education and decision-making support for business owners seeking greater financial clarity and operation stability.
- Structured Evaluation Process** Structured evaluation designed to identify operational, financial, and tax compliance exposure before implementing resolutions.
- Long-term Sustainability Support** Support designed to strengthen long-term operational stability beyond compliance resolution.
